Enjoy the benefits of **FREE** electronic filing of your Shipper's Export Declarations (SEDs) via the Internet using *AESDirect* or its windows based desktop PC component, *AESPcLink*.

These workshops include a quick overview of the Automated Export System and *AESDirect* followed by hands-on training and filing of sample SEDs via *AESPcLink*. ***(You may bring samples of SEDs filed by your company for practice.)*** We conclude the workshops with the Certification Quiz that gives a company full certification.

Upon certification, you begin filing your SEDs electronically through *AESDirect*.

We prefer participants be familiar with using the PC and an Internet browser and be pre-registered and have an *AESDirect* user name and password prior to attending the training session.
